Pulpit Announcement — Family Life Weekend

Summer is finally here and we're all probably looking forward to taking a break from our routine and spending time on vacation, in the garden, or even cleaning out the garage. But one thing we don't want to take a break from is our faith!

On this special **Family Life Weekend**, we're offering audio CDs from Lighthouse Catholic Media. No matter where we are or what we do, chances are that we'll be able to take along a headset or pop a CD in the car player. Our families can learn about our Faith while on the go — all summer long.

Here's how it works — at the table in the back we have three different bundled sets of CDs, each on a different topic. The first bundle is for **young adults and teens**, and provides great insights about what it means to be Catholic. This would also make a great gift for Godchildren or someone going off to college in the fall. The second bundle is for **parents and children**. You'll hear practical ways to discipline and build family spirituality. A listener in Nebraska said, *"I wish I had heard this CD twenty years ago when my kids were young! It gives real life solutions to real life problems."* This bundle also includes two CDs for your youngest children that we call "Vacation Bible School To Go." The third bundle is a **marriage and relationship** booster, and would make a great wedding gift.

Each bundle contains seven different titles. The retail price for a bundle could cost up to \$70, but we're just asking for a \$30 donation. All donations come back to the parish to continue our Faithrasier program.

No matter what your plans are for this summer, take the opportunity to celebrate family life and grow in our Catholic Faith with Lighthouse CDs.

I will be at the table after Mass — please stop by to pick up your CD bundles while they last!

Thank you — God bless you and your families!
