

This Christmas, they're coming home.

Will your parish be ready?

Catholics Come Home has announced a major prime time evangelization initiative set to air on American TV networks beginning in mid-Advent and ending after Christmas. *The initiative's advertising campaign aims to reach 250 million television viewers in over 10,000 U.S. cities and in every U.S. diocese.* The ads are scheduled to air over 400 times from December 16th through January 8th.

Now is the time to make Lighthouse's inspiring CDs available to those who are coming home!
