

Success Plan for the Special Lenten Promotion!

We hope you will take full advantage of our Special Lenten Promotion as an opportunity to get these powerful faith-raising CDs to as many people as possible by following these few easy steps:

1. Arrange for your Lighthouse Account Manager to schedule a promotional weekend at your parish before or during Lent to help parishioners prepare their hearts for this important season!
2. Plan for the Account Manager to give our pulpit announcement (approximately 1½ minutes) at the end of each Mass to introduce the CDs being offered. A small donation will be suggested but is not required for CDs taken.
3. The Lighthouse Account Manager will need a small table in the narthex/main traffic flow area of the church on which to situate this beautiful wall mount/table top display and distribute CDs to interested parishioners.
4. Pray that the Lord will bless these efforts to further love for Christ and our incredible Catholic Faith.

NO RISK GUARANTEE: You will receive back 100% of the cost of the CD bundles (excluding shipping) if you follow these 4 steps.
