Rediscover Catholicism takes us on an adventure of life-changing proportions. Are you happy? Does your life lack meaning? What are your habits? What does God want? Why are young people rejecting Catholicism? Why is the perception of Catholicism so negative? Is it time for the Church to change? Beginning with our common yearning for happiness, Matthew Kelly reveals the essence of authentic Catholic spirituality while addressing some of the most important questions we face today, both as individuals and as a Church.

"This is one of the most inspirational, well-written and easy to understand books on the Catholic Faith I own!!! This book will bring many Catholics back to Confession and the Holy Mass. Matthew Kelly is very gifted in so many ways in spreading the Faith and igniting souls."

Linda - Wading River, NY

"Matthew Kelly writes about the Church in an engaging style that invites long-time Catholics, along with new and returning Catholics, to put the faith at the center of their lives. His presentation of holiness as the essential purpose of life, and only source of authentic happiness, challenges each of us to reflect on our response to the Lord's call."

Francis Cardinal George, O.M.I. -
Archbishop of Chicago
