Affordable Website Design for Catholic Parishes

A Website to Meet Your Parish Needs.

Geoffrey Butz Art & Design will create a well-designed, dynamic website for your parish that is affordable and easy to maintain. You select the design, and you can easily upgrade or add features to your website at any time. Our sites use the latest technology, and offer a variety of features to meet your parish needs.

We have been designing websites specifically for the Catholic Community for over 10 years to provide your parish with a website that is both appealing and functional.
